List the courses you have taken in the field of performing arts:

In what other activities/organizations related to music have you been involved/awards received? (Private lessons, community service, etc.):

One of the criteria for this scholarship is that you must be planning to study vocal or instrumental music in college. Please describe your plans in detail.

Please respond to each of the following questions. Attach your responses to this application. Minimum of 100 words each/no word limit.

- 1) Describe the “Aha!” moment when you realized what music means to you.
Why music?
- 2) “Music is the medicine of the mind.” – John A. Logan
Tell about a time when you found strength/healing in music.
- 3) “Music is the Universal Language of Mankind.” – H.W. Longfellow
How do you envision your music impacting the lives of others?
- 4) “It’s not easy being green.” – Kermit the Frog
How does music separate you from non-musicians?
- 5) At what point does noise become music? OR At what point does sound become music?
- 6) What about Ryder’s life and music inspires you?

Is there anything else you would like to share?

****Please remember to attach an unofficial copy of your transcript to this application.**
